RECENT EVENTS

LITTLE LIBRARY

Over the past week, our Key clubbers and wonderful Creative Committee designed and implemented a Little Library at Azalea Elementary with the help of the K-Kids!

Come support our new *Lieutenant Governor* Tucker Henry as he leads his first DCM! A lot of worthwhile information that will KEYp you interested in future events!

SPHS Key Club's very own Eleanor Koh, who was this year's District Webmaster, has been elected as the 2025-2026 Florida District Key Club governor!!! This is an absolutely amazing achievement and we are so proud to have one of our club's members as a leader and representative for all Key clubs across the state of Florida.

Furthermore, congratulations to our co-president Tucker Henry, who has been elected as next year's District 13 Lieutenant Governor!

We're extremely honored that he will be overseeing the Key clubs within our district, as well as acting as the bridge between District 13 and the entirety of the Florida Key Club district in the year to follow.

Tucker and Eleanor will, without a doubt, do incredible things for our Key Club and for many others next year, and we can't wait to see them shine :)

DCON RECAP

Our brilliant secretary Jocelyne Lioe was recognized at DCON for completing 100% of the Key Club monthly reports this year! A big thank you to her for all of her effort in keeping SPHS Key organized and efficient.

SPHS received 2nd place at DCON for our club scrapbook, created by our creative committee chair Alison Ashley! As a 2nd place winner, it has the chance to compete at Key Club's International Convention this summer in Orlando!

The SPHS Key Club website created by our amazing webmaster, Zachary Ratkiewicz, earned 3rd place in the club website competition at DCON!

SPHS was awarded the Governor's Citation for having an average of at least 25 service hours across all members! Thank you all for your amazing service this year.

For using Key's FLOF (Florida Opportunity Fund) grant towards building a little free library (at Azalea Elementary, with the help of the K-Kids!), SPHS received a FLOF patch!
